

SO, WE MADE A LIST OF THE REASONS WE'VE EVER CONSIDERED REMOVING OR DEMOTING AN ATHLETE...Please don't do any of these things!

An athlete may be removed from his/her squad or membership terminated for any of the following reasons:

- Failure to notify the gym, if late or absent from a squad practice or any other mandatory squad gathering
- Absence during the two weeks prior to competition
- No-show at a competition or exhibition for any reason
- 3 absences for the 2018-2019 season
- Attending practice with a poor attitude or unwillingness to work hard and do his/her best and is removed from practice
- Unresolved behavioral issues
- Disrespect to CEA Raleigh staff, coaches, or team from the parents or athlete
- Anonymously contacting anyone associated with CEA for any reason
- Unresolved financial issues or outstanding balances
- Misrepresentation of CEA Raleigh or CEA Raleigh's practices and policies on the internet, including, but not excluded to Facebook, Text, Email, Fierce Board, Instagram, Twitter, and ALL social media, etc.
- Sharing CEA Raleigh music with anyone. Trading, selling, or giving away CEA Raleigh music is strictly prohibited.
- Inability to control nerves on stage and as a result, performing poorly more than once in the same season as a result. (forgetting routine, not performing the same as they do in practice, etc.)
- The CEA Raleigh name and logos are trademarked. Any privately created or monogrammed items bearing the CEA Raleigh name or team name cannot be worn or sold without prior approval. Items worn by the entire team at any time must also be approved and bought through the CEA Raleigh apparel store as a result of representing the program as a whole. We have worked over 25 years to develop a strong, identifiable brand.
- NO VIDEOS of routines, choreography, or training should be posted on any online site, including YOUTUBE until after the first competitions.

CEA Raleigh operates with an "open-door" policy. Any issues you have should be brought to the attention of management immediately. Issues should never be discussed with others. CEA Raleigh has a ZERO tolerance for gossip and negativity. Our goal is to provide a positive environment for all of our families and watch our athletes thrive.

Gossip and negativity, including all forms of social media, are reasons for immediate termination of membership.

Kelly reserves the right to terminate memberships for any reason she deems necessary.

As hard as we try to please 100% of our clientele, in our 13th season we have realized that not everyone is a good fit for Cheer Extreme, and we are not the best fit for everyone. :)
